Re: Freedom of Information Act Request EPA-R9-2015-002711

Dear Mr. Simon:

This is in response to your Freedom of Information Act request regarding:

Documents related to CERCLA 104(e) request for information sent to or received from Senior Aerospace - SSP (f/k/a Senior Flexonics) related to the San Fernando Valley Area 2 Superfund Site and Real Property located at 2980 North San Fernando Blvd. (or Road), Burbank, California. Please include supporting documents. Note: do not need documents for the same facility sent to or received from Breeze-Eastern Corporation (f/k/a TransTechnology Corporation; Whippany, New Jersey).

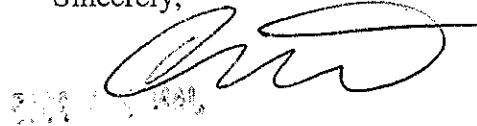

Enclosed you will find copies of some of the documents responsive to your request.

We are unable to provide you with the documents, or portions of documents, which have been determined to be exempt from mandatory disclosure by virtue of 5 U.S.C. 552(b)(4) and (6). An itemized list by categories of the withheld material along with the basis for withholding is provided on the enclosure to this letter.

You may appeal this partial denial to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: [hq.foia@epa.gov](mailto:hq.foia@epa.gov). Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal may include as much or as little related information as you wish, as long as it clearly identifies the determination being appealed and includes the assigned FOIA request number – EPA-R9-2015-002711. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Please contact Carl Brickner at (415) 972-3814, should you have any questions concerning this matter.
